## NEIGHBORHOOD STABILIZATION PROGRAM 3 OVERVIEW

The City's Neighborhood Stabilization Program 3 (NSP3) is a grant funded program sponsored by the U. S. Department of Housing and Urban Development. The Division of Housing and Community Development will manage the administration of the NSP grant with the assistance of other divisions and staff.

The City of Memphis' NSP3 program is targeting six (6) neighborhoods for demolition activity. They include the following: Frayser, Binghampton, Vance Avenue Neighborhood, Glenview, Orange Mound, Soulsville/The Works. The designated neighborhoods were chosen based on HUD's criteria which include a high number of foreclosures, high cost mortgages, and heavily blighted properties.
